To Whom It May Concern:

We had our 2 children at Robin Cushing's daycare for 5 years. It was truly sad having to say goodbye when we moved out of the area. Robin genuinely cares about the children under her care, and we felt like we were an extension of her family. She provides a nurturing and educational environment that any kid would love. As parents we appreciated the secure, loving environment for our kids.

Robin ran her business very well. She clearly explained her philosophies on childhood milestones and disciplines when we first met with her. She was always great at letting us know the progress our kids were making while with her and was quick to address any behavior with us before it became an issue. She helped us see when they were ready for next steps like potty training. She was a true partner in helping us raise and teach our boys.

Our kids made so many great memories, and friendships at Robin's Nest, that we continue to make a point to get together with Robin, and the kids from her daycare, even those who have "graduated".

We would highly recommend Robin to any parent looking for a child care provider. We are more than happy to answer any questions you might have; please contact us at 805-276-3956 or randalee713@hotmail.com.
