Robin cared for our son from the time he was 3 months to 2 ½ years old, when we had to move for my husband's job. Otherwise, I would've kept my son at Robin's until kindergarten.

I can't say enough positive comments about Robin. She is dependable, accommodating, fair, and most of all caring and loving. It is obvious how much Robin loves the kids in her care. I always knew Mason was in excellent hands with her. Mason learned so much from Robin regarding manners, sharing, following directions, language development, and school preparation skills such as colors, numbers, sight words, etc. I also loved the consistent daily routine my son had at Robin's. Whenever all of the parents would get together at the kid's birthday parties, we would all rave about how much we loved Robin and then we'd all say "I don't know how she does it!" She's amazing!

In addition to being our daycare provider, Robin was a huge source of knowledge for me. I often called her before my pediatrician when I had a question if my son seemed sick or had hurt himself. She also taught me positive behavior management tools to try with my son when I felt I was at a loss on how to handle a challenging behavior.

Robin feels like a part of our family. My husband and I are both so sad to have to say goodbye to her. We will always have very special memories of the time our son spent in her care. I would highly recommend Robin to anyone and everyone for daycare.
